

Newsletter September 2018

A Mile a Day

We have had a great start to our daily 15 minute run with children (and staff) really enjoying it. Please make sure your child is in school before 9am so they can join in the run.

As the weather cools down we will continue to run so it is important children have a warm coat and one that is waterproof as we will run in the rain!!

Children can run in any footwear but trainers are best if you have them.

Our charity for the year

Staff have nominated MacMillan Cancer Support Charity this year which has special significance due to Miss Eddings' recent diagnosis.

On 28th September at 2.45pm we will be offering "Have a cake with your kid". We will send out details next week.

I will be shaving my head in a few weeks to support Miss Eddings and to raise money for MacMillan - dig deep!

Friends of Mill Lane will also be supporting the charity and will share details throughout the year.

Parents' Running

I will open the gates into the playground at 3.15pm every day starting next Monday (17th Sept) so adults can do 15 minutes running.

We run up the left hand side of the MUA (on the outside) round the top and down the right hand side.

We will try to have a member of staff there but you can run or walk without us as we are not offering coaching or training - just the time and space.

Bits and Pieces

Children are allowed to bring a piece of fresh fruit or vegetable for morning snack if they wish.

Thank you for supporting our move to healthier packed lunches - it has been almost 100% successful.

All children were in school on time every day last week so please keep this up.

Parents' Evening is coming up so keep Wednesday 24th October free.

Miss Eddings very much wants to stay a part of the school whilst she is receiving treatment so I will keep you up to date with her progress and we hope to see her around school when she is well enough.

Here's to a fabulous Autumn term at Mill Lane.
