

Newsletter January 2019

Welcome

I hope you all had a fabulous break and are back into the swing of things now the new term has started.

Miss Eddings has finished her chemo and is on to the next stage of her treatment. I have passed on all your kind wishes to her and she is very appreciative of the support.

Mr Swithenbank is on the mend and should be back with us this half term.

Uniform

Can I remind everyone that we still have a school uniform.

We wear plain black or grey trousers/skirts/joggers
WITHOUT A LOGO.

Footwear should be safe and serviceable and trainers are welcomed as we run every day.

Small watches are permitted and encourage children to tell the time; small stud earrings are also permitted but all jewellery must be removed for PE.

Food and Drink

All children need a water bottle in school every day—especially as they start each day with vigorous physical exercise.

Water bottles should have a sports lid and be named and taken home each night to be washed.

Only WATER is allowed in school.

No crisps or juice (even flavoured water) are allowed in packed lunches.

Stay and Play - FREE!

We are very lucky to have experienced and dedicated staff who are committed to giving your children the best possible start to their school life.

As part of their journey all children benefit from the opportunity to socialise in a safe and stimulating environment which is what we offer in our Stay and Play group.

Please bring your pre-school children on a Wednesday at 1.15pm until 3.15pm.

Each session takes place in our school nursery which helps your child become familiar before they start school.
