

Newsletter October 2018

Brave the Shave

We have raised over £1800 for Brave the Shave so far.

I will be having my head shaved next Wednesday on 17th October—please join us at 9am to watch the whole school running then we will gather in the hall for the shave!

If you or your child want to snip a bit first please bring £2.

We will be collecting on the day and every penny really does count so please support MacMillan with us. You can donate online <https://bravetheshave.macmillan.org.uk/shavers/christine-barlow>

We will have a limited supply of purple hair extensions in school to sell for donations of £2 or above. They will be on sale at the office and we all know I will be banning them the week after!!!

Diary Date

The last day of this half term is Friday 26th October.

We will be holding an assembly at 2pm to talk about and celebrate our fitness activities.

Parents are invited to attend.

SCHOOL WILL CLOSE AT 2.45PM.

PLEASE MAKE SURE YOUR CHILDREN ARE COLLECTED ON TIME.

Diary Date

Parents' Evening will take place for all classes except Class 1 on Wednesday 24th October.

You will receive your appointment on or before Wednesday 17th October—please remind your child to give you the slip!

We will have samples of school lunches for you to try as we know many children prefer a hot meal during the colder months.

Parking!

The parking and driving around the school gates on a morning and an afternoon is dangerous.

There have been many instances of people stopping on the yellow zig zags and allowing children to jump out and some parking that has caused both danger and inconvenience to our neighbours.

Miss Eddings and I have spent hours standing outside to try to stop this; we have sent many letters and we had hoped that you would want to behave in a way that kept your own child and other children safe—none of this has worked for some people.

The council have now become involved and have asked me to write to you once again.

As a very last resort I have decided to take photographs of the number plates of the cars causing a problem and send them out to all parents - I know that only a few are guilty so I apologise to the rest
