26th June 2018

Dear Parent/Carer,

On Thursday 28th June 2018 class 2 will be walking to St Paul's Church in Hanging Heaton in order to learn about the features of a church.

Children need to be in school uniform and please ensure that your child has appropriate clothing for all weather types, ie, raincoat, sun hat, sun cream and sensible footwear. We will be setting off at 9.00am and we will be back before lunchtime, therefore dinner arrangements will not be affected.

As part of our studies we will be making our own 3D models of churches on Friday 29th June.

We will need a variety of recycling materials to make the models. It would be appreciated if you could collect items such as cardboard boxes, egg boxes, kitchen roll tubes etc. which we could use to construct our models. Please send anything you have into school this week.

As always if you have any questions or queries please do not hesitate to ask.

Yours sincerely,

Miss L Lavelle
