Dear Parents/ Carers

I have had several very concerned and upset parents contact me regarding the behaviour of some children in class 3/4.

There are regular incidents where children push or kick each other and there are some children who think it is acceptable to swear in school.

Obviously, none of us wants this and I plan to tackle this immediately.

I will keep a record of all swearing and aggression and write to parents to let them know if their child has been involved.

We will follow the behaviour policy which may result in exclusion if the level of behaviour warrants it.

This issue is much worse in class 3/4 than the rest of the school so I plan to address it here first but should the need arise we will have a focus across school and act accordingly.

Yours sincerely
