

Giving Not Getting

In our assembly today we agreed that we would try help others this Christmas.

Instead of Christmas cards we are going to have a display of Christmas messages in the hall. To join in please bring 50p for MacMillan and we will give you a plain piece of card to decorate or write a Christmas message on. This can be to anybody or everybody and it will be displayed in the hall.

Please do not send in any Christmas cards as we also want to help the environment by saving paper.

We also decided that we would try help people who are not as fortunate as ourselves.

For the next three weeks (up until Friday 14th December) we will be collecting for the Batley Food Bank.

Please send in any donations of packets, tins, toiletries and treats that you can spare.

If we all bring an item each week for the next three weeks we will have over 600 items to donate.

Thank you for your kindness.
